Beautiful 5 bedroom villa is a well decorated home set on a large plot with fantastic gardens and a separate swimming pool area situated in a sought after residential area close to Marbella's city centre.

The villa has been decorated and furnished by one of Marbella's best interior designers. A private driveway leads to the entrance of the villa. The entrance hall opens into a large reception area with several sitting areas. On the same level is situated an en suite bedroom, a very modern kitchen and a bedroom suite behind for staff or guest accommodation. The first floor includes three bedroom suites, of which the master bedroom has a large dressing area, a lounge and fireplace as well as a private terrace.

The lower level of the house boasts a beautiful rustic wine cellar. Further bedroom and a sauna are situated next to the swimming pool. There is a two car garage with two large rooms, which could be converted to bedrooms as well.
